**THE PUBLICITY
DIRECTORY**
FOR THE A/E/C INDUSTRY

Comprehensive A/E/C Industry media resource

Now in its 19th edition, the 2011 Publicity Directory for the A/E/C Industry remains the **only comprehensive guide** to getting published in design, professional, and industry publications read by clients, peers, and thought leaders. This research-based, market-focused resource is published by the **Fuessler Group Inc.**, leading media and public relations experts.

Organized by key markets, the Publicity Directory includes **over 200** trade magazines, webzines, and regional business publications that influence decision makers in today's most active markets – education, healthcare, corporate, real estate, government, environmental, residential, transportation, and cultural, among others. In addition, the Publicity Directory includes all relevant design, engineering, construction and professional publications.

The Publicity Directory is a **must-have tool** for any media relations effort. Subscribers have used the Directory to better target their media efforts and have seen their **media hit rates** increase substantially. You won't find the Publicity Directory's comprehensive information in any other media directory or on the Internet.
